

Consultation on the Commission's Broadband Guidelines on the application of EU State aid rules to public funding of broadband networks

Policy field

State aid and telecommunication

Target group

Member States, public authorities, electronic communication operators, investors of broadband networks.

Period of consultation

From **19.05.2009** to **22.06.2009**

Objective of the consultation

The objective of the consultation is to gather information from stakeholders on the Broadband Guidelines, which lay down how the Commission will apply the EU state aid rules in relation to public support granted for broadband network infrastructure deployment. Stakeholders are invited to comment in particular on the Commission's proposed approach towards State aid for Next Generation Access network deployment.
