

European Commission has launched a public consultation on the review of the EU state aid rules for supporting SME access to risk capital

The European Commission has launched a public consultation with a view to assessing the application of the Community Guidelines on State aid to support SME access to risk capital.

In view of the expiry of the Community Guidelines and the GBER in December 2013, the Commission has published a questionnaire addressed to the Member States and all other interested parties. The results of this public consultation will serve as a basis for evaluating the Community Guidelines on State aid to support SME access to risk capital and for eventually proposing improvements.

The period for this consultation is: 16.07.2012 – 05.10.2012.
